

St. Francis Parish Knights of Columbus Council 13958 2010 Scholarship Application Form

The purpose of the St. Francis Knights of Columbus Scholarship is to recognize one graduating senior each year from within our Parish who demonstrates a life of faith and service. The recipient will demonstrate commitment to, not only the Catholic Faith community, but also the greater Grand Traverse community by providing meaningful volunteer service. The award of this scholarship acknowledges Christian values within our students.

All high school seniors registered with the St. Francis of Assisi Church as of January 1st, 2010 are eligible.

This scholarship is in the amount of a one-time, \$1,000.00 award. Applicants must have applied for admission to a college or vocational institution and must be in "full-time" student status. Receipt of the award is contingent on acceptance to a school or institution; the award will be paid directly to that institution.

Completed applications and essays must be returned to the Parish office by Friday, April 2, 2010.

All applications will be reviewed by an anonymous selection committee. The decision of the committee is only a recommendation and is only final once the Grand Knight has approved the selection. The review process will be based on the application and supported by the short essay only. No letters of recommendation will be accepted and financial need is not a determining factor for this scholarship. The recipient of the award will be announced at their respective school's Awards Ceremony and our Graduation Mass on May 16, 2010.
